

Work From Home Guidance- Legacy AiTech Clients

To ensure the continuity of operations of your business in the wake of the Coronavirus (COVID-19), Evolve IP offers the following assistance to help you prepare your business for workforce remote connectivity and Work From Home (WFH) capabilities. Services may be managed by logging into the Hosted Voice Portal:

<https://portal.bwsip.com/>

If you do not have a login for the Hosted Voice Portal, please email support@evolveip.net, or call 610-964-8000 option 2.

Please reference the below document for Work From Home guidance if you are an Evolve IP - AiTech customer.
