Evolved Office: UC-One

Firewall Rules & Policies Update - A Cluster

Foreword

This guide is designed to provide firewall recommendations for settings and port openings. Evolve strides to provide the most ideal settings for the most common firewalls. However, knowing the exact settings for customer firewalls, IT vendors, and ISP carriers is the responsibility of the customer and their contracted IT vendors.

A Cluster

Named Server List for ACLs	Ports	Purpose
voip.evolveip.net	5060/UDP&TCP 5075/UDP&TCP 8500-8598/UDP 8600-8698/UDP	SIP SIP Audio RTP Video RTP
