

ECS eAgent Training

Introduction

The Evolve Contact Suite eAgent Client is an easy to use browser application built specifically to meet the needs of contact center agents. It provides agents the features and functionality required to be productive in an omnichannel contact center.

Live Webinar Training

Please join us on one of our regularly scheduled webinar trainings conducted by an Evolve IP Training Specialist. This public training session will cover a standard agenda for the applicable topic and product(s), while also allowing for Q&A. Our public training sessions are free to attend for all Evolve IP clients.

Follow the link below to register for an upcoming public training session for this topic. From there, choose the scheduled date and time you wish to attend and fill out the registration form. After completing your registration, you will receive an email with the training session details.
