Step 5:

Once you verify both you can sign into your downloaded Webex application.

Step 6:

If you have not downloaded Webex before the email verification, you will need to download it now. If you do not have admin access to your PC please contact your IT administrator.

Step 7:

After confirming download enter your company email address. Since you have already verified the email you will be prompted for your OSSmosis User ID and application password after.

The image shows a dark-themed mobile application screen for signing in. At the top is a logo consisting of two interlocking loops, one blue and one green. Below the logo, the text "Sign in" is displayed in a large, white, sans-serif font. Underneath, the instruction "Start by entering your email address" is shown in a smaller white font. A text input field contains the email address "ymatos+9@evolveip.net" with a white cursor at the end. To the right of the input field is a small white "X" icon. At the bottom of the screen is a wide, light gray button with the word "Next" centered in a dark gray font.
