UC-One Training

Introduction

UC-One is an application for communication and collaboration in the office and on the road. UC-One combines secure instant messaging and presence, desk and mobile voice communication, video calling, and desktop collaboration into a single application interface.

UC-One Collaborate

On-Demand Training

e-Learning training courses can be found in the Evolve IP Client Training Center, our Learning Management System (LMS) designed specifically for our clients and their training needs. Our on-demand training is free for all Evolve IP clients and accessible via the Evolve IP Client Training Center.

Follow the link below to enroll in a specific on-demand training course. You will be prompted to login with your Evolve IP Client Training Center credentials. If you do not have credentials, please ask your administrator to contact training@evolveip.net to register your organization in the LMS.
