Verification Link : HERE

Webex Admin Portal (Control HUB) - HERE

We advise the admin to be the first to comeplet these steps. The first Person to complete Verification becomes the Control Hub Admin. This can be changed if needed.

Step 1:

You will be required to add your company email address and verify it before using Evolve Anywhere with Webex. To set up your company email address cli ck here! and follow the below steps. This link will direct you to the email verification page.

On this Page please enter your ODIN USER ID, This Must include "@bwsip.net"

**** This is the same log in Information you currently use to log into your UC One Communicator application and your application password. This can be reset in Odin by your admin.

Submit
webex by cisco By using Webex, you accept the Terms of Service, Privacy Statement, Notices & Disclaimers. Learn more about Webex

<u>Step 3:</u>

Once you enter your ODIN User ID you will be redirected to enter your company email

SEVOLVE IP
Hello
To secure your Webex account, we will need to verify an email address. Please enter the email you would like to use as your Webex User ID. We will then send you a verification email with instructions on how to proceed.
Enter your email address
Email is required
Submit

SEVOLVE IP		
Hello 61284 100 18@bwsip.net		
To secure your Webex account, we will need to verify an email address. Please enter the email you would like to use as your Webex User ID. We will then send you a verification email with instructions on how to proceed.		
Submit		

Once you enter your email address you will receive an email from no_Reply@webex.com

Here you can click on Join now where you will get email and user ID Validation.

Step 5:

Once you verify both you can sign into your downloaded Webex application.

Step 6:

If you have not downloaded Webex before the email verification, you will need to download it now. If you do not have admin access to your PC please contact your IT administrator.

Webex			
Download for Windows (64 bit)			
Also available here:			
Download on the App Store			
Download for macOS (Intel chip)			
Download for macOS (M1 chip)			
Download for Windows (32 bit)			

<u>Step 7:</u>

After confirming download enter your company email address. Since you have already verified the email you will be prompted for your OSSmosis User ID and application password after.

Step 8:

Enter your ODIN User ID and application password

<u>Step 9:</u>

You are now signed in to your Evolve Anywhere with Webex application!!!
