

Global Evolved Office (GEO)

Global Evolved Office (GEO) is a part of the Evolved Office Suite that provides the exact same service (and seat types) for over 20+ EU countries.

By establishing a direct relationship with a leading incumbent carrier in the EU, Evolve IP is now able to:

- Deliver a complete end-to-end HPBX solution to international remote offices in the UK/ EU region where EvolveIP can cater to ALL of the customers calling needs
- Significantly improve total cost of ownership (TCO) by having centralized billing and management of users from their US location
- Provide a single point of support for all locations

GEO is available in the following countries- please reach out to your Technical Advisor for additional information:

1. Austria
2. Belgium
